CAPABILITY STATEMENT

A successful track record as an all-round producer, production manager, local fixer and coordinator, specialising in Australian tourism and lifestyle. Since 2000 I have coordinated and hosted hundreds of productions / created schedules / produced itineraries for all media types under the banner of International Media Hosting Program (IMHP) for Tourism Australia and Destination NSW. I am a team player; a multi-tasking professional with a "can do" attitude; an eye for detail and an excellent ability to work under pressure. I possess the knowledge and skills acquired through many years of 'hands on' experience that enables me to successfully manage all areas of production "in safe hands" from pre-production to post production, within budget and ensure a positive, publicity outcome.

SKILLS

- Resourceful and creative with ability to manage multiple projects while not compromising on achieving desired outcomes.
 - Negotiate permits with Regional, State and Federal Government Authorities / stakeholders
 - Scheduling, script breakdowns, call sheets, risk assessments, movement orders and daily shoot reports.
 - Crewing, casting, camera equipment rental.
 - Coordinating satellite feeds for live broadcast.
 - Management of full project finances from initial budget, PO's, invoices, cost sheets & reconciliations.
 - Understanding Visa Requirements, Carnet and Public Liability Insurance for international productions
 - Competent in Excel, Word, on either Mac or PC.
 - Certified in CPR, Basic Emergency Life Support, First Aid
-
